THE MANAGER FINALLY WINS

McDOWELL COLT MAKES AMENDS AT LATONIA FOR SERIES OF FAILURES.

Beats Good Opposition in Fast Time and Probably Will Be a Contender for Latonia Derby Honors on Strength of Improved Showing

Cincinnati, O., June 3.—T. C. McDowell's The Manager made amends this afternoon for some of his recent failures, by scoring impressively in fast time over good opposition, including Grover Hughes, Adams Express, Buckhorn and Round the World. The race was a handleap at six furlongs that featured the Latonia card. On his showing today it is likely that his owner will decide to start him in the Latonia Derby next Saturday. According to report, Mr. McDowell's as been doubtful about starting the cott in the big event, but the easy manner in which he triumphed this afternoon will probably cause a change in Mr. McDowell's plans.

Another large crowd was on hand this afternoon to witness the racing. The card was ordinary. The two-year-old races furnished upsets. Nelly Agnes, the favorite of the first, stumbled and un scated McCahey in the first quarter of the race. McCahey also was on Fiel, the favorite in the second, and as he had not fully recovered from the shaking up sustained in his fall, his effort was weak and resulted in the cott finishing last. Toy took the purse in a sharp drive with Armor.

The eastern delegation captured a couple of purses during the afternoon, with Rod and Gun and Gates. The latter, representing H. K. Knapp, and making his first start here, was an overwhelming favorite and made good in handy fashion. In the closing dash the well-backed Pulka failed to take any portion of the purse, Labold winning with ease. The latter, paid the longest price of any of the afternoon's winners.

Jockey Shilling had engagements for the six races this afternoon, but was indisposed and rode only Adams Express.

Martin Foley, who was represented by Congressman James in the fifth race, claimed Grif, which finished second, for \$925. J. J. Marklein bid up the eximer. Gates, from an entered price of \$500 to \$1,000, but failed to get him.

Trainer Karrick brought eleven horses here today from Douglas Park. He left Sprile, Coy and three two-year-olds, owned by John E. Madden, to be brought here next Friday. Sprite has

foreman, Phil Neville, who will train them hereafter.

Trainer Karrick was advised late this afternoon
by a telegram from F. R. Hitchcock that the Canadian Racing Associations stand ready to restore
procession of the Common of the Commo

will be mated.

Francis J. Pons returned today from New York, where he went to look after his interesis in an automobile concern with which he is identified. He said that his latest advices from Charleston is that matters are shaping themselves satisfactorily and that a race meeting there next winter is a likely prospect.

PROGRESS ON ST. LOUIS TRACK.

St. Louis, Mo., June 3.—Definite steps were taken Saturday by the directors of the Universal Exposition Co., toward the revival of the old St. Louis fair when they let a contract for the construction of a steel and concrete grandstand for the exposition grounds near Wellston, to cost \$25,000. The new grandstand will be 300 feet long and will accommodate 4,500 persons. It will be roofed over and will be located west of the clubhouse and north of the speedway and race track. In addition to the grandstand, plans have been made for terracing the grandstand, plans and the Universal Exposition Co., will name an advisory board of twenty-five business men this week as recommended at the banquet last Wednesday night, when the revival of the old fair was indorsed by leading business men and heads of civic organizations. This advisory board will confer with the board of directors of the company in completing plans for the fair, which probably will be held the last week in September.

IMPROVEMENTS AT FORT ERIE.

Buffalo, N. Y., June 3.—Many improvements will be noted at the Fort Erie track when the summer meeting opens June 29. The new betting ring will be ready and there will be a new paddock, located west of the betting ring. A bridge will be con-structed from the grandstand to the clubhouse, and other minor additions will be made to the plant.

STIRRING FINISHES AT BLUE BONNETS.

Kormak Beats Heavily Backed Blackford a Nose Priscillian Scores at Prohibitive Odds.

Rormak Beats Heavily Backed Blackford a Nose—
Priscillian Scores at Prohibitive Odds.

Montreal, Que., June 3. The card at Blue Bonnets this afternoon was made up of a series of overnight allowance and selling races. While there was an absence of quality, the fields were evenly balanced and stirring contests were seen. In five of the finishes less than a length separated the first two horses, Only one decided favorite won, Priscillian being the successful choice. He was at odds of 1 to 12, which meant that his victory did not benefit the students of form to any extent.

This was the King's birthday, and a holiday in Canada, and a large crowd visited the track to witness the sport. The track had dried out considerably and while the going was not fast, the footing was firm and solid, and good time was made in a majority of the races. The best contest of the afternoon came with the running of the third race, an allowance affair at one mile. The winner turned up in Kormak, which beat the heavily backed favorite, Blackford, a nose. Kormak was vidden by W. Dunn, who handled the horse with great judgment. Dunn reserved his mount in the early running and after disposing of the leaders, lasted just long enough to stand off Blackford's challenge. The latter was unfortunate in getting caught in a jam directly after the start and Turner was forced to pull him up.

New Comer came from behind in the steeplechasand in a driving finish outgamed the tiring High Hat. Only four of the eight starters finished the course without mishap, the favorite, Gun Cotton, being among those that finished riderless.

Priscillian made a show of his opposition in the fourth race and cantered home with a long lead. It was his third straight victory on the Canadian termin.

The victory of Scrimmage in the seventh race was not a remunerative one for his owner. The race was a selling affair and owner J. W. Schorr was forced to stand an advance of \$400 to retain the could. Sam Louis was responsible for the bidding. Scrimmage was entered at \$600.

THE SITUATION AT NEW ORLEANS.

New Orleans, La., June 3.—The movement for the restoration of racing in this city will have to contend with the stremous opposition of Archbishop Blenk, head of the Catholic Church of this diocese, who was active in the campaign that culminated in the enactment of the Locke anti-betting bill, which forced the local race tracks to close and who admittedly exerts a strong influence locally. Archbishop Blenk has already made a statement in the public press bitterly attacking the plans for the restoration of the sport.

Meanwhile the promoters of the plan for the revival of racing are proceeding with their arrangements. A mammoth petition, on which the names of hundreds of business men are being placed, will be completed in a day or two and presented to the General Assembly asking that a bill as outlined be presented with a view of placing the question of the re-establishing of racing up to the voters of New Orleans. The petition will contain the name of virtually every business man in the city and the enactinent of the bill providing for the special election

presented with a view of placing the question of the re-establishing of racing up to the voters of New Orleans. The petition will contain the name of virtually every business man in the city and the enactment of the bill providing for the special election is looked for.

At a meeting of the executive committee there was drafted into the proposed bill a paragraph which will provide against the admission of minors to any race track in operation in the state. This clause is expected to win over to the measure the support of many of those who four years ago contributed money and inducence to secure the enactment of the Locke anti-racing bills. The bill as outlined will provide for betting only by the parimutuel system and for the appointment of a commission which will have full jurisdiction over the track, dates of meeting and everything connected with the sport.

A number of men who were responsible for the enactment of the Locke anti-racing bill have announced they are in favor of the proposed legislation to restore the sport.

The original committee of forty business men has been augmented to fifty members. The report of the executive committee. The committee is receiving strong endorsements from prominent men who are interested in seeing racing re-established in New Orleans for the sake of the amusement that it will afford tourists and as a means of entertaining the city's winter guests.

Prominent business and hotel men are pointing out that it is easy to attract tourists here, but that without some such amusement as racing they are not inclined to remain long.

The Picaymue refers to the matter as follows:

"Great interest in the proposed measure has been created. Prominent men, representative of the business and industrial life of the city, have expressed themselves in its favor in the event it can be so worded as to make it impossible for anything other than clean racing. Sustness men who are identified with the movement insist that it can be made clean, and that it will be of material benefit to the city i

There is some talk that Catesby Woodford may this year sell his Raceland Stud yearlings at De-troit in August, simultaneously with those from Walter O. Parmer's Edenwold Stud.

The Canadian Racing Associations rules have been amended so as to provide that when a horse is disqualified, other horses in the race belonging to the same owner may also be disqualified.

Harry Rites will race Thistledale, Orcagna, Dissenter, Napier, Mr. Golightly and Jingo at Marlboro. Jingo is one of the biggest three-year-olds of the season and will be schooled through the field. The horses of E. Utterback and J. W. M. Green are already at Marlboro.

Harry Payne Whitney will ship to A. J. Joyner at Newmarket England, on June S, ten good looking two-year-olds that have been broken and trained by James Rowe at the Brookdale establishment of Mr. Whitney in New Jersey. Their trials are said to have been exceptionally good.

ANSWERS TO QUERIES.

J. G., Toronto, Ont. The show price against Forward, May 28, was 2½ cents to a dollar.

W. J. H., Chicago, Ill. Claude was not owned by Peter Davley, but by M. J. Daly. He was a bay horse by Lissak—Lida H.

G. G., Toronto, Ont. The horses in the present stable of Amos Turney are: Elwah, Mud Sill, Horron, Burning Daylight, Promoter, Pop Gun, Selwik, Betsy Bank.

Betsy Bank.

E. S., Chicago, The place parlay of June 1 on Vested Rights, Carlton G., Muff and Cisko was void on Vested Rights because there was no separate place price against him, and won on the other three.

W. C. H., Los Angeles, Cal. Tartar, the winner of the second race at Toronto May 21, was the property of R. T. Wilson and had never belonged to R. Davies. His only other previous start was in a race at Pimlico, April 27, in which he ran unplaced to Lace, Ethelburg II, and Liberty Hall. Under the provise as to ownership the bet was a draw.

J. Cal. Cleveland, O. There was no ground for controversy. The \$2 winning wager on Narfi in the first Coent d'Alene race of May 29 provided enough to execute the "if coming" 33 bet on Lady Stalwart in the third race. When she won there was then sufficient to make the \$5 "if coming" bet on Rake in the fifth race, and leave a surplus of \$7.15 still due the backer after Rake had lost.

\$2 mutuels paid, Cock o' the Walk, \$15.05 straight, \$4.00 place, \$4.00 show; Scallywag, \$2.65 place, \$2.65 show: Genesta, \$2.85 show.

Winner—Ch. c, by Peep o'Day—Ellangowan (trained by J. P. Mayberry).

Went to post at 3:03. At post 3 minutes. Start good and slow. Won easily; second and third driving.

COCK O' THE WALK was outpaced in the early running, but closed a big gap and, finishing with a rush, wen going away. SCALLYWAG ran forwardly and gamely throughout, but tired in the last fifty yards. GENESTA set a fast pace to the stretch, but tired and apparently is a non-stayer. OROWOC finished well.

TEA ROSE showed speed. The Whitney youngsters were away poorly and ran green.

\$2 mutuels paid, Kormak, \$13.75 straight, \$5.50 place; Blackford, \$3.50 place.

Winner—B, c, by Puryear D.—Chiffle (trained by H. Penny).

Went to post at 3:30. At post 4 minutes. Start good and slow. Won driving; second and third the same. KORMAK was rated and saved with excellent judgment in the early running and, responding gamely when called on in the stretch, took a slight lead and kept it luckly. BLACKFORD was caught in a jam soon after the start and lost much ground, but was coming fast through the last furlong and barely failed to win. PICOLATA ran a good race, but was tiring at the finish. MISSION was much used in forcing and setting the pace and tired in the stretch drive. FUTURITY showed speed, but failed to stay.

Overweights—Mission, 5 pounds; Futurity; 3.
